

# Addis Bay

Designed by Justin Hutchinson  
for Kett  
2025

## Sofa & Dining

**Weathered sandstone forms rocky cliffs, overlooking a boundless southern ocean.**

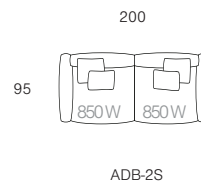

Influenced by the broad beaches and sheltered coves, this collection is designed for both casual conversations and extended lounging.

Featuring multiple sofa configurations, as well as coffee and side tables, the collection showcases minimalist linear teak surfaces paired with muted ceramic finishes, capturing the essence of relaxed coastal living.
